LinkedIn: linkedin.com/in/MobeenAzam | GitHub: github.com/MobeenAzam

Location: Lahore, Pakistan

OBJECTIVE

Motivated and detail-oriented web developer with a passion for creating interactive, user-centric websites and web applications. Seeking a position that will allow me to apply and grow my front-end development skills in a dynamic environment.

EDUCATION

Bachelor of Technology in Computer Science

Forman Christian College University, Lahore, Pakistan

(Expected Graduation: June 2026)

• GPA: 3.7/4.0

• Relevant Coursework: Web Development, Data Structures, Operating Systems, AI, HCI

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript, Python, C++

Frameworks: Bootstrap, Tailwind CSS, React (Basics), Flask

Tools: Git, GitHub, VS Code, Postman, Figma, Canva

Database: MySQL, MongoDB (Basics)

Others: REST APIs, Responsive Design, UI/UX Principles

PROJECT EXPERIENCE

Personal Portfolio Website

Technologies: HTML, CSS, Bootstrap, JavaScript

• Created a responsive multi-page personal website including Home, Projects, CV, and Contact form.

• Implemented a mobile-friendly navigation bar and interactive UI.

Fake News Detection Web App

Technologies: Python, Flask, HTML, CSS, ML

• Built a machine learning model to classify fake news using NLP techniques.

• Deployed the model through a web app using Flask.

Number Guessing Game (Client-Server Architecture)

Technologies: Python, Sockets

• Developed a number guessing game using client-server socket programming.

• Handled multiple client requests and added a scoring system.

INTERNSHIP EXPERIENCE

Frontend Developer Intern

Pak Software Solutions, Lahore, Pakistan

(June 2024 – Sept 2024)

• Designed responsive web interfaces with HTML, CSS, and Bootstrap.

• Worked closely with the backend team to consume RESTful APIs.

• Participated in code reviews and contributed to team meetings.

CERTIFICATIONS

• Web Development Bootcamp – Udemy (2023)

• Git & GitHub for Beginners – Coursera (2024)

• Introduction to UI/UX Design – Google UX (2023)

ACHIEVEMENTS

• Secured 2nd position in university-level Hackathon 2023

• Volunteer Developer for NGO's fundraising site (2024)

• Winner – Design Challenge, CS Fest 2024

EXTRACURRICULAR ACTIVITIES

• Member – FCCU Programming Club

• Content Creator – Tech Blogging (Medium & LinkedIn)

• Hobbyist – Mobile UI Design, AI Research Papers Reader
